Levy of a fee of annas 12 on every slaughtered animal at Chickballapur Mkt

11) The question was considered again by the Mkt Cl at their meeting held on the 13th Feby 1958 and the views of the Cl are set forth in the letter flagged L 659/Mkt

12) The DC requests early sanction to the proposal of the Mkt Cl

13) Submitted for kind perusal with reference to paras 5 to 7 supra

14 The following kinds of fee are levied on the sheep & goat brought for slaughter into the limits of the Chickballapur Town Mkt —

1) octroi on each sheep or goat taken to Mkt limits — 0-2-0 per head

2) fee for slaughtering at the slaughter-house within which the animals were being disposed of either in public auction or by adopting the rental system — 0-0-6 per head

The Chickballapur Municipality have proposed that in lieu of the above three items, a fee of twelve annas (0/12/-) per head of sheep or goat slaughtered might be levied, as by the adoption of this course the Mkt Cl would stand to gain

the D.C also recommends levying the proposed fee at a rate which is anticipated to yield an annual income of about Rs 16 lakhs. But this is rather doubtful for we think, it would be difficult to keep a correct account of the number of animals slaughtered as it can be manipulated easily After all a subordinate would be posted to supervise the slaughtering work in slaughter houses which are likely to be located in remote places, at present the money was being collected by three agencies in three wards through
